BLUEPRINT 2:42

Sundays, 9:45 AM, Upper Level, Rm 309

Kevin Harvey • co-ed, ages 20s & 30s • Free

This class, while studying a variety of Scripture-based topics on Sunday mornings, will seek to follow the blueprint laid before us by the early Christians of how God desires His body to serve each other and the community, not just on Sundays, but every day. (year-round)

“With the busy demands placed on our lives today, connecting with people and forming true community is a challenge. Getting to meet with this group each Sunday morning for fellowship, prayer time, and teaching from the Bible is so vital, but that is only the beginning. When you make the extra effort, the greatest benefit of being part of the right community group is the relationships formed outside the class time.”
